

# SAT & TechnoTrends Installation/Registration Procedure

- Download the **SAT & TechnoTrends application** from website [www.keyresearch.in](http://www.keyresearch.in) (Under tab TECHNOTRENDS & more about TechnoTrends you will find download link).
- Ensure **Amibroker and Data Feed are Closed** while installing SAT.
- Run **SAT or TechnoTrends as Administrator** (Right click on SAT application >Properties>Compatibility>Privilege Level).
- Click on **the left top corner of application** (in both application you will find this window) login window for user registration.

The image shows a registration dialog box with a light blue background and a blue border. At the top left, there is a grey title bar. Below it is a white button labeled 'REGISTER'. To the right of the 'REGISTER' button is a white text input field. Below the 'REGISTER' button is the label 'Password' followed by another white text input field. At the bottom left is a white button labeled 'CANCEL', and at the bottom right is a white button labeled 'OK'. Below the 'OK' button is a small, empty white text box.

- Enter the fields in the bellow **registration form and finish the registration.**
